

'Unpack the Preach' 19th April 2020

Scripture "He asked them, "What are you discussing together as you walk along?" Luke 24:17

Quote "The reason why we have two ears and only one mouth, is that we may hear more and speak less" Zeno of Citium

Discussion #1 - It's hard to listen sometimes isn't!? It might be because we think it's boring or doesn't mean anything to us, sometimes it's because we are too busy chatting. Think of some things you can put in place so you can hear what someone is telling you, before you answer or switch off.
(James 1:19)

Discussion #2 - When we want to tell a friend, family member or teacher something, we normally tell them for a good reason. Think of the reasons why you tell people things and what kind of responses you may get or hope for.
(Psalm 19:14)
