

# Unpack the Preach for Families

Kingswood Baptist Church is a fellowship of Christian's committed to being and making disciples of Jesus Christ.

## Some discussion point for the dinner table:

### Discussion 1 - Read 1 Kings 3

What do you want to be when you grow up? How would you like people to describe you? If you could ask God for anything what would it be? Why do you think Solomon asked for wisdom?

### Discussion 2- Wisdom

Wisdom is not just about being clever, it is the ability to chose what is true, right and good. It is being able to see the end goal and know how to get there. What is the hardest choice you have ever had to make? Why was it difficult?

### Discussion 3 -James 3:17

James uses 8 different words to describe what wisdom is like. Discuss what you think the different words mean? Which one is the hardest to do?

### Discussion 4 - Prayer

Who do you think has the toughest choices to make in the world? Why? Take time to pray for them as a family.
